Reiki is a simple and powerful energy based healing technique that anyone can do and is classified as "Biofield Medicine" It involves aligning and balancing the subtle energy fields. Reiki is a touch therapy and relaxation technique and one of the fastest growing forms of Energy Medicine around the world.

Shafiya Eve: bio-energy healing practitioner and teacher for 17 years. A Reiki Master/Teacher, she incorporates Reiki, EFT, Healing Touch and Guided Imagery in her practice. Go to www.healingeve.wordpress.com for articles on Reiki *Transforming life's challenging experiences into the higher states of Love, Light and peace.*

Bring a healthy dish or snack to share for lunch and snacks. Weather permitting; portions of class will be outside. Bring lawn chair and dress comfortably.
